*“The greatest treasures in the world are art. They are the most lasting; they are still here after people.”*

*By Jean-Michel Basquiat*

## About Jean-Michel Basquiat:

Jean-Michel Basquiat (1960 - 1988), who was born in Brooklyn, was an American artist known for his neo-expressionist paintings and graffiti art. His art was publicly exhibited for the first time in the “Times Square Show” in 1980. Basquiat then had his arts exhibited around the world, for instance, Annina Nosei Gallery in New York, Galerie Bruno Bischofberger in Zurich, Fruitmarket Gallery in Edinburgh, Institute of Contemporary Arts in London, Museum Boijmans Van Beuningen in Rotterdam and so on.

## About the Champagne:

For this Special Edition, the resonance between Dom Pérignon and the universe of Jean-Michel Basquiat is symbolized by a graphic and conceptual tête-à-tête that superimposes the shield, emblem of the Maison, and the three-branched crown, statement, and signature of the New York artist.

The Dom Pérignon shield testifies both to the attachment to the original territory of Hautvillers and to the unyielding ambition of Dom Pérignon to assert its uniqueness. An icon of Basquiat’s work, the crown is a symbol of power. Basquiat uses the crown to elevate the subjects of his paintings, but also to comment on power dynamics presented in his work.

This art of assemblage is reflected in the special edition, with three unique coffrets, each showcasing parts of Basquiat’s masterpiece as a tribute to this creative process.

This tribute embodies the spirit of innovation, heritage, and renewal, celebrating the meeting of two worlds.
